

eLearning Day FAQ

Basic steps to follow on an eLearning Day:

1. Go to the North Knox School Corporation website - www.nknox.k12.in.us
2. Click on Harmony 3 Family Access
3. Students or guardians log in using their Harmony Family Access username and password. eLearning Day classwork will be listed under the homework heading.

Please contact your classroom teacher if you have questions. Your teacher's email address is listed in Harmony Family Access.

General Questions:

What is an eLearning Day?

Students will not report to school due to inclement weather, but will engage in learning activities using digital resources.

Why is North Knox using eLearning days to make up for cancelled inclement weather days?

The primary objective is to maintain the momentum of learning. The primary objective is **not** to make-up missed days of school, which would cause North Knox to extend the pre-approved school calendar. eLearning Days allow students to minimize the interruptions caused by snow days and continue to make educational progress.

How will students and parents know if an eLearning Day will take place?

Inclement weather cancellations and announcement of an eLearning Day will be relayed through the school's regular notification phone system.

How will students be informed about assignments during an eLearning Day?

Parents and students should become familiar with their Harmony Family Access login prior to winter months. All teachers will post homework assignments on Harmony 3 by 9:00 a.m. the day of an eLearning Day, and will be available for online communication 9:00 a.m. - 3:00 p.m.

How will students obtain assistance from teachers on eLearning Days?

Teachers will be available through email. Teacher email addresses are listed in Harmony Family Access.

When will class assignments be due?

Three school days after we return to school.

What if students do not complete their eLearning assignments?

Assignments not completed by the deadline will be recorded as a zero in the gradebook and students with incomplete eLearning assignments will be charged with an unexcused absence for a partial or full day.

How will eLearning be monitored and counted for attendance?

Accountability for students will rely on assessment of work. Teachers will assess the student's work and determine if the student has met the instructional goals for the day.

What if a student does not have access to the internet?

North Knox School Corporation is aware that not all students have internet access at home. Coursework assigned on an eLearning day will not be due until three school days after we return to school. Students without internet connection have the opportunity to complete work over the following days.
