**RE: Law on Immunizations**

---

**The 2018-19 School Year requires that all incoming seniors receive: One Booster Dose of Meningitis Vaccine ( MCV4) and 2 doses of Hepatitis A. (doses must be 6 months apart)**

**The first day of school at North Knox will be Thursday, August 2<sup>nd</sup>. Seniors will be expected to be in compliance on that date.**

**The Knox County Immunization Clinic is located in Vincennes at 305 S. 5<sup>th</sup> St. Vincennes, IN. Telephone Number: 812-882-8700. Appointments are required.**

**The only exceptions are:**

**First dose of MCV4 was given at age 10 or older and another dose was given before the age of 16.**

**If the first dose of MCV4 was received on or after the student's 16<sup>th</sup> birthday.**
