

**In order to try and protect our teams and fans, attendance at events will be limited. We are keeping the various teams separated and creating a type of bubble. Our hope is that the student's season will be as safe & normal as possible.**

**Therefore attendance at North Knox will be limited to the parents/legal guardians & siblings of the participating athletes, managers, NK cheer team, NK band & NK dance team. Also the coaches of the above groups participating in that event may have their spouse and children attend. Unfortunately, No visiting bands, dance teams or cheerleaders are allowed at this time.**
