Intermediate

All ages are welcome! If you would like to have your student participate in the immunization clinic, please complete the consent and questionnaire online at

<https://patients.vaxcare.com/registration> with code **IN65942**

There is no cost for the vaccines, regardless if insured or uninsured. All forms must be completed and received no later than 24 hours prior to the start of the clinic in order to participate.

If your student is facing exclusion from instruction due to missing immunizations, this is a great opportunity for them to become current with all required immunizations. We can also provide flu shots to both students and staff.

Students who participate in the clinic will be vaccinated with all recommended vaccinations that are due at the time of the clinic. Vaccines that may be administered include DTaP, Hepatitis A, Hepatitis B, HiB, Polio, Influenza, MMR, Human Papilloma Virus, Meningitis, PCV13 and Varicella. Please note that The Indiana Immunization Coalition will vaccinate with all ACIP recommended vaccines unless we are contacted for specific vaccine refusal 48 hours prior to the clinic **via email to clinic@vaccinateindiana.org or phone 317-628-7116.**
