

At this time, due to the number of COVID 19 cases being on the rise, attendance at all North Knox School Corporation indoor sporting events will be limited to the parents/legal guardians and siblings of the participating athletes. Others allowed to attend include the household members of coaches, cheerleaders, dance team members, and student managers. We hope this limitation is temporary, and we will advise all if and when these restrictions are lifted. We will be asking all attendees to sign in and pay at the gate. We will be sending a Google Form to you in the near future for you to list all household members. If you have any questions please contact Mr. Kent Doades at North Knox Junior/Senior High School.

Thank you for your cooperation and understanding.
